INFORMATION TECHNOLOGY INTERNSHIP SUMMER 2015

Hy-Vee, Inc. is a progressive company working on such technologies as Mobile Computing, Virtualization, Supply Chain Optimization and Computer Assisted Ordering. The Information Technology department will be hiring 9 interns for the summer of 2015. This group will be visiting the stores to install and update Windows computer systems throughout Hy-Vee's eight state areas. Tasks will include upgrading to Windows Server 2012 R2, preparing for an Exchange 2013 migration, working with Active Directory and Hyper-V, as well as staging and deploying workstations. We will be performing various other maintenance tasks and software updates. We are looking for individuals currently studying for a degree in MIS, Computer Science, or some other technical field. The necessary training required for this project will be provided.

The position will be Monday through Friday, with travel and overnight stays. The internship will begin in mid-May and conclude in mid-August. All interns must have a valid driver's license. Travel expenses will be reimbursed.

For more information, candidates may contact Mike Engler at 515-457-3806 or mengler@hy-vee.com.

The deadline for applying is March 2nd, 2015.

Please specify that you are applying for the Information Technology Internship.
